

Thank you for coming to our Open Session and letting us know your views and suggestions.

This handout includes a summary of the draft plans. If you have any further comments then please get in touch with one of your Parish Councillors or Neighbourhood Plan Steering Group members.

➤ Parish Plan

This plan gathers together your views of village life, facilities and services and identifies potential improvements. Once completed it will form an action plan for your Parish Council

➤ Neighbourhood Plan

Draft policies have been produced based on the survey data. This will form the basis of a Neighbourhood Plan which will go out to the village for a vote in a referendum.

**Your views count!!**

All comments and new ideas will be carefully considered and where possible incorporated into the final version of the plans. So you really can make a difference!

You can find the survey results and the information from the Open Sessions on the Parish Council website.
