Total cost of project **£144-96**

Match funding – you should not rely exclusively on the community fund for support but demonstrate that other funding sources are being exploited and/or explored. The community fund should ideally only contribute up to 50% of the overall funding required for the project, unless the Parish Council agrees that a higher contribution is appropriate.

How much is asked for from the Community Fund?

How it would enhance Worton?

We are a small charity and rely solely on donations. It would help us to take more people from Worton or Marsden to hospital, doctors apt, dentist apt.

Worton Parish Council holds and administers the Community Fund. Please return your application form to the clerk as above. The details of your application will then be put on the Worton website, and a notice put into the Bridge newsletter. The Council will then consider your application at their next meeting.

Run by the community, for the community – how will you generate community involvement, engagement and ownership both in its set up and operation?

Geographical location – the service/project being funded should benefit the parish of Worton, but initiatives serving a wider area may be considered at the discretion of the Council.

We serve the village of Worton & Marsden,

Environmental benefit – for example, the project may be creating a nature area or installing energy efficiency/ renewable generating equipment on a community building

Accountability – how will the project be monitored and reported on?

We produce audited accounts each year

Two references (this should be people who are not directly involved with the project and are not family members)
